Professional Development Workshop Series in Earth and Environmental Science

Rock Me and More! – introduction to rocks, landforms, history of early life, rocks from space, teaching resources, Q and A.

PL workshop 3:15 - 4.15 pm, including afternoon tea

Friday 19 May 2023 – for primary teachers and secondary science teachers

Venue: Palmyra Primary School, 60 McKimmie Road, Palmyra WA

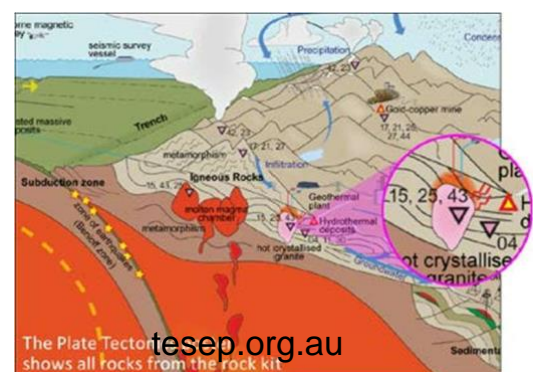

Meeting Room: go to front office to sign in & be directed to meeting room

Presenter: Philip Sansom is an experienced secondary Science teacher/geologist, who has worked in industry. His work in several states gives him many rock stories and samples to share

The TESEP RocksExpo experience includes–

1. **Incursions** – classroom lessons with students and teachers.
2. **PD workshops** – After-school professional development workshops for teachers (1- to 2-PD sessions @ \$25 per attendee for visiting teachers, FREE to host-school teachers).
3. **ASTA Certificate of attendance** – A certificate of hours and workshop outcomes will be issued.
4. **FREE rock kit** – Host to receive a FREE rock kit and Plate Tectonics poster.
5. **Introductory RocksExpo** feature How to Use the Rock Kit and Teaching Pack (e.g. how to relate rock kit rocks to rock stories, 3D rendered samples, virtual thin sections and virtual outcrops).
6. **Subsequent RocksExpo** topics can be chosen from TESEP's "The Challenging Earth" series

29 Palm-sized rocks in the TESEP Australian Rock Kit for Schools & close-up of TESEP Plate Tectonics poster
