

NOMINATIONS ARE CALLED FOR **ASTA Treasurer 2024-2027**

Nominations are invited for the position of **Treasurer** of the Australian Science Teachers Association for 2024–2027 (four year term). The position officially commences 1 January 2024.

Candidates for this position:

- must be an individual member of one of the STAs;
- must have a reasonable knowledge of ASTA and ASTA projects;
- should have a reasonable understanding of ASTA Board, and must be able to make an effective contribution to the leadership provided by the Executive of ASTA;
- should have a vision for financial management of ASTA as the peak national professional association representing science teachers, and be able to contribute to the development and management of ASTA's projects and plans.

Previous financial management experience is desirable. The role of Treasurer is to oversee the plans and strategies of ASTA from a financial perspective. Clerical skills such as bookkeeping and Xero are not required as these functions are carried out by ASTA employees.

Professional development courses in financial management for the successful nominee would be made available if required.

The position is voluntary but offers the successful nominee a rewarding four year experience including unique professional development and networking opportunities.

A more detailed role description, and the application form can be obtained from the ASTA Executive Director at executivedirector@asta.edu.au. Candidates must be nominated and seconded by a member of one of the STAs.

Nominations close 5:00 pm Sunday 6 October 2023

Nominations should be sent to the ASTA Executive Director at executivedirector@asta.edu.au

For further information contact the ASTA President, Rose Anderson at president@asta.edu.au
