

Professional Development Workshop Series in Earth and Environmental Science

Earth-Expo 2-PD - Introducing Our Dynamic Planet: **Thu 25 July 2024**

Energy and the Energy Transition (all energy types compared, path to Net Zero), yr 9-12 focus (STEM/physics/chemistry crossover)

Critical Minerals & Renewable Energy (what is a critical mineral / supply-demand/exploring-mining-processing in Aust / batteries & recycling, electric car & renewable energy) (Year 6-12 STEM)

School: Mid North Christian College, 43 Port Davis Rd, Port Pirie SA

Meeting Room: attendees to go to the front desk to be directed to Meeting Room

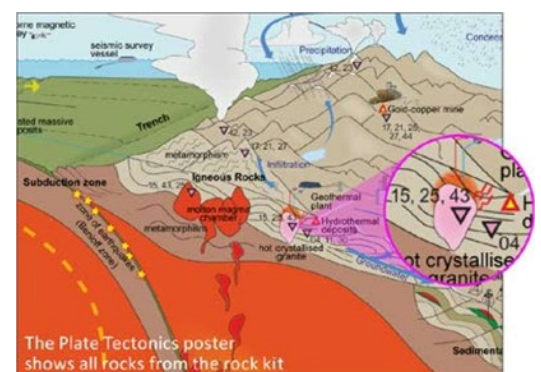

Date: Thursday 25 July 2024, PDs 3:15pm-6:15pm

School Facilitator: Thomas Jaeschke (light supper will be provided)

The RocksExpo experience includes–

1. **PD workshops** – After-school professional development workshops for teachers (3-PD @ \$45 per attendee for visiting teachers, FREE to host-school teachers).
3. **Certificate of attendance** – A certificate of hours and workshop outcomes will be issued.
4. **FREE rock kit** – Host to receive a FREE rock kit and Plate Tectonics poster.
5. **Introductory RocksExpo** feature How to Use the Rock Kit and Teaching Pack (e.g. how to relate rock kit rocks to rock stories, 3D rendered samples, virtual thin sections and virtual outcrops).
6. **Subsequent RocksExpo** topics can be chosen from TESEP's "The Challenging Earth" series 2

Presenter: Philip Sansom is an experienced teacher and industry educator, with a passion for teaching earth science and local geology. He has many fossil and rock stories to share.
